COM College of the Mainland

A PATH FORWARD...

These are very exciting times for College of the Mainland (COM). Through our long-range master plan, we have developed several new academic programs that respond directly to Galveston County's workforce demands and will positively impact our local economy. Through voter approval of our 2018 bond measure, we are putting the final touches on several new facilities at our main campus. The opportunities and enhancements this long-range plan provides will empower our students and the community now and for decades to come.
